

Self-Nomination Form, VMICC Board of Directors

Last updated: Feb. 9, 2021

Thank You!

Thank you so much for considering a position on the board of the Vashon-Maury Island Community Council. If selected, you will learn a lot about our community, and play a key role in helping to address issues affecting this very special place.

What is expected of prospective VMICC Board members?

VMICC Board members participate in two monthly meetings: the Board meeting and the Council meeting.

Board meetings are held Monday evenings, usually two weeks before the next scheduled Council meeting.

During the Board meeting, Board members discuss ongoing business and plan the agenda for the next Council meeting. Board meetings are open to the public, but generally consist of Board meetings and guest presenters.

Council meetings are held for the public, and generally consist of presentations and discussions of issues important to Vashonites.

Board member responsibilities include: setting the agenda for upcoming Council meetings, deciding when proposed discussion items are better sent to committees, implementing the decisions of the Council meetings including communicating with King County and other agencies and businesses, acting as liaison with committees, developing an annual budget, crafting language that helps develop changing policies and procedures, interacting with community groups and constituencies, and running the monthly Council meetings.

The monthly time commitment would be a minimum of 5 hours to attend and prepare/follow up related to meetings, plus an additional 3 hours attending to other Board responsibilities.
