The committee met by webex. Present were: Jean Berholtzheimer, Armen Yousoufian, Claire Neuman, Kyle, Coco Carson-Rohe, Gini Harriman, Tanya Roberts, Michaella Oliverri, Terry Sullivan and Rita Schenck

The majority of the meeting was introductions and general discussion about the issues and barriers on the island. The members were about evenly divided in primary interests being housing for the homeless and affordable housing for those with existing homes. It was suggested that we might have subcommittees addressing these different but interconnected issues.

The committee members are:

Claire Newman

Coco Carson-Rohe

Armen Yousoufian

Michaella Olavarri

We also have some observers:

Rita Schenck was the only person willing to chair, and won all but one vote.

Our next meeting will be Thursday May 13th at 7pm. Rita will send webex invites to everyone.
